

Promoting Accessibility and the Removal of Barriers

Are you:

- A person served (client)
- Personnel (staff)
- Other community stakeholders

Do you see any potential barriers to service:

1. Architectural physical barriers:
2. Attitudinal (how viewed/misconceptions):
3. Environmental:
4. Financial:
5. Communication (your input):
6. Employment (personnel/staff only):
7. Transportation to and from clinic:
8. Miscellaneous, including suggestions on how to remove the barrier:

(Administrative use only)

Administrative corrective action plan:
